WindRose Golf Club Spring Texas

Dear HVGA,

Happy New Year !! While the city of Houston were hit with the arctic blast that sent freezing temperatures throughout the weeks, we were blessed with a 50* Sunny with no wind for 5 hrs. Smiles and laughters cover everyone that participated in the tournament as we kick off the year. Winners were treated to a very special prize that matches their exuberance and the tradition of Tết. We now have 3 tournament for the 2025 season in the book and we haven't seen most of our young guns coming out yet due to school activities. Special shout out to our young tournament players Matthew NGUYEN (17) and Jacob To (16) and their great dads for getting them out. We now will have our halftime break for 6 weeks. Our next tournament will be on Feb. 22nd @ Cypress Lakes. Chúc Mừng Năm Mới everyone.
